

ONLINE PRACTICE OF ESSENTIAL READING SKILLS

GRADES K-5 • NOW INCLUDED WITH VOYAGER PASSPORT!

IMPROVE READING FLUENCY & COMPREHENSION

Many K-5 students are not fluent readers, which leads to frustration and academic challenges. With independent practice, these students can improve fluency and become better readers and writers. The engaging experiences in *Reading Rangers* give students meaningful online practice while improving reading fluency and comprehension. Use with any reading or intervention program.

READING RANGERS PROVIDES:

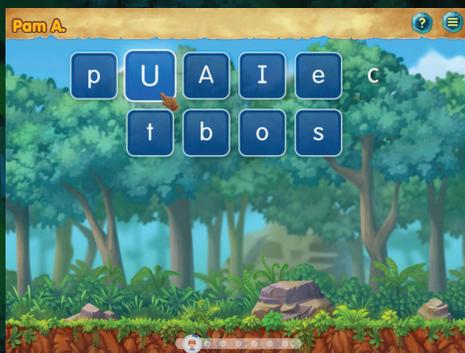

- ▶ Defined and consistent delivery of activities that follow a structured path of learning
- ▶ Multiple opportunities to learn new vocabulary, use vocabulary, listen to fluent reading, practice fluent reading, and illustrate acquisition of reading comprehension

- ▶ Specific learning activities designed for students still in the acquisition phase of foundational literacy skills of phonological awareness and phonics
- ▶ Reports that show how students are performing and detail where they may be struggling
- ▶ The ability to assign lessons that align with any reading program in use

A structured and consistent routine helps students practice the five essential skills necessary to become proficient readers.

IMPLEMENTS PRACTICE IN THE 5 ESSENTIAL SKILLS OF READING INSTRUCTION:

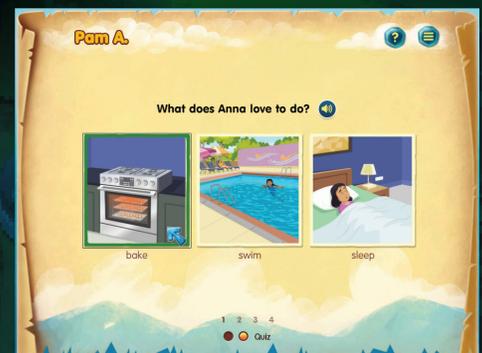

- ▶ Phonology
- ▶ Phonics
- ▶ Vocabulary
- ▶ Fluency
- ▶ Comprehension

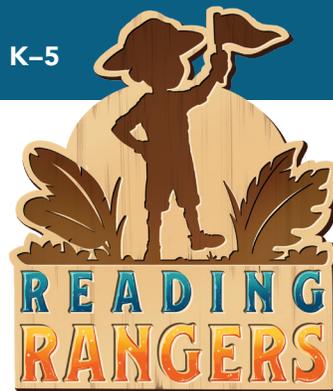

Students listen to sounds and select the correct letter.

Students practice word building.

Listen Comprehension: K-1 students listen to short text selections and answer questions.

MOTIVATING ONLINE ENVIRONMENT

Easy to use for students and teachers alike, **Reading Rangers** provides independent practice that engages students and provides a structure and path to organize the application of skills for vocabulary acquisition, fluency, and comprehension.

During Read to Understand, second–fifth grade students are guided by Dewey the Archivist to a new passage and encouraged to do their best first read.

Students interact with text for vocabulary practice and comprehension.

Students have opportunities to earn tokens as they read and answer questions.

Voyager

PASSPORT

NOW INCLUDED WITH VOYAGER PASSPORT

The *Reading Rangers* interactive online practice program is designed to strengthen foundational reading skills, improve vocabulary acquisition, and increase fluency resulting in improved comprehension. For those reasons and more, it is a great supplemental reading tool included with ESSA-Strong, evidence-based *Voyager Passport*® literacy intervention.
