

Back to School 2020 (Phase 2)

The impact of the coronavirus pandemic has forced schools to shift to distance and virtual teaching and learning. At Voyager Sopris Learning, we want to support you in your efforts to provide students with meaningful instruction during this time.

Our Field Implementation Specialists will be available to talk with you about your instructional questions. The schedules below show both product and calendar views. All sessions are 1-hour in length.

Click on the link provided, at the scheduled time, to connect with a VSL expert.
